

## **KAIWYN UNVEILS NEW SINGLE "CUPIDTISED" FEATURING CELYN CHOW – A PERFECT BLEND OF HEARTFELT MELODIES AND MEDICAL DEDICATION**

– The multi-talented Australian singer-songwriter and medical graduate, Kaiwyn, has just released his highly anticipated new single, "Cupiddtised," featuring the soulful vocals of Celyn Chow. Released on July 7, 2024, the track is already making waves in the music scene, showcasing Kaiwyn's unique blend of cultural influences and professional dedication.

Kaiwyn (pronounced 'Kai' 'wern') hails from Kuala Lumpur, Malaysia, and has seamlessly merged his passion for music with his career in healthcare. His journey into the music world began with successful releases in 2022 and 2023, garnering acclaim from both commercial and community radio stations. With each track, Kaiwyn showcases his ability to balance his artistic endeavors with his medical profession, crafting songs that resonate deeply with listeners.

The new single, "Cupiddtised," opens with a whimsical fragment drawing listeners into its enchanting world. The verse introduces clean guitars that fuse seamlessly with a laid-back, swaying rhythm, creating a rock-pop melody that is both engaging and memorable. The chorus shifts gears with a straight-ahead rock feel, featuring muted distorted guitars that elevate the track's energy.

In the second verse, Celyn Chow's emotionally charged vocals add a powerful collaboration. The bridge is a heartfelt duet, highlighting the vulnerability and open-hearted approach of both artists.

A key change ushers in a lift in the final chorus, building to a highly satisfying resolve that leaves listeners craving more. "Cupidtised" promises to be a poignant and inspiring addition to Kaiwyn's discography, perfectly blending his musical talents with his compassionate spirit as a healthcare professional.

Kaiwyn continues to balance his medical career with his passion for music, with plans for more captivating releases in the future. "Cupidtised," featuring Celyn Chow, is now available for download and streaming on all major platforms. For more information about Kaiwyn and his music, follow him on social media.
